May 2, 2008

Mr. Bernard Farrell

Dear Mr. Farrell:

On behalf of the entire Massachusetts General Hospital community, I want to extend my thanks for your gift of \$25.00 recorded on April 29, 2008 to the Cure Diabetes Now Fund. Your gift furthers the hospital's work. With your gift, the MGH team may continue to pursue the most promising and innovative research opportunities.

Loyal friends like you help the MGH to offer outstanding clinical care to our patients, to share groundbreaking research with the medical community and to provide far-reaching educational opportunities for the caregivers of tomorrow. Because of your generosity, the hospital is able to meet even the most challenging obstacles in today's health care arena. We are grateful for your lasting belief in the Mass General mission of excellence.

Should you have any questions or concerns, please contact Laura Bibbo in the MGH Development Office at (617) 726-2200 or via e-mail at [mghdevelopment@partners.org](mailto:mghdevelopment@partners.org).

Thank you for all you do for MGH patients and their families.

Sincerely,

Leslie Kearney  
Director of Donor Services

June 9, 2008

Mr. Bernard Farrell

Dear Mr. Farrell,

Thank you very much for your continuing support of \$25.00 to Massachusetts General Hospital to directly support the research in my laboratory.

Your generous expression of support and faith is truly a motivation for us to continue to work hard and achieve our joint goal – reversing diabetes in humans.

Again, thank you.

Sincerely,

Denise Faustman, MD, Ph.D.  
Director, Immunobiology Laboratory  
Massachusetts General Hospital  
Associate Professor of Medicine  
Harvard Medical School
